Foreword

With our school days coming to a close, we look back upon the friends and experience we have had. Our school days are filled with cherished memories which we shall never forget. The joys, the sorrows, the fun, the hard work - these are all a part of our memories. Some are remembered better than others, such as that important game, the Junior-Senior, the thrill of being a senior, and at last the wonderful feeling of accomplishment when that coveted diploma will be placed in our hands. In the 1962 WESCOMB we have tried to preserve for you through pictures these wonderful experiences at West Edgecombe School.

Dedication

Mrs. Eula Greathouse *Mrs. Eva Causey*

To Mrs. Greathouse and Mrs. Causey who have dedicated their lives to the training of young people and in laying the foundation for academic, moral, and social activities that have played an important part in the later lives of their students, we, the Senior Class of 1962, sincerely dedicate this edition of the WESCOMB.

Our Parents

We, the class of 1962, wish also to dedicate this WESCOMB to our parents whose patience and helpful understanding have seen us through our twelve years of school. Without them there could have been no education and school experiences.
